This is an example page that came straight out of Microsoft Works version 4.5 for Windows 95.

How does it look? Let's find out.

"All systems GO"

Let's do some clip art in full colour.

Romantic cows fucking fly, man. That must have been a 90s thing. Let's see what else I can conjure up...

Now *that's* fucking 90s.

Information super-Highway!

Meh. Looks crappy. Electronic-Mail, anyone?
